How to Login to Moodle

Your **username** is your full college login, in the format:
forename.surnameXX (where XX is the last 2 digits of your student number)@wsc.ac.uk. An example would be [joe.dunn78@wsc.ac.uk](mailto:joe.dunn78@wsc.ac.uk)

Your **password** will be your initials and date of birth, the first initial is in capitals and the second in lowercase, so for example if Joe Dunn was born 10.05.1988 then the password is:
Jd100588

**Having Problems?**

- First check you are spelling everything correctly and using capital letters where needed.
- Ask your Lecturer or Tutor to watch while you login so they can check what you do.
- If you still cannot log in then visit Technical Support in E0.032 below the library. Entry from the external door – not from inside the building. Or alternatively give them a call on 01284 716555. You will need your student ID card or they will not be able to help you.
