Welcome back for the new term. We have lots of new books, electronic resources and exciting displays.

News from the Counter: The library can now offer card payment including contactless and Apple Pay for the payment of fines, print credit, ID Cards and stationery. All main credit/debit cards welcome except American Express.

Peter Hilditch has also joined the team as E-Resources Librarian, do pop in and say hello to him.

Wellbeing Wall. We have a great new and permanent Wellbeing Wall featuring a selection of new books and variety of resources and activities for both students and staff. Topics covered include Autistic Spectrum Disorder (ASD), Bullying, Confidence and Esteem, Eating Disorders, Moodboosting, and Resilience.

The display highlights support available in college, locally and nationally.

Sustainability Display. We also have a wonderful display on sustainability featuring printed and electronic resources. You may also like to access the following via www.library.wsc.ac.uk.

Clickview online is an extensive library of subject specific TV programmes, film energy, recycling and much more.

This comprehensive resource draws on the connections between the environment and many disciplines.

Electronic Resources - Focus on Infotrac Newsstand

Accessed via our website, InfoTrac Newsstand provides access to more than 2,300 major world newspapers, and includes thousands of images, radio and TV broadcasts and transcripts. Over 215 million articles are available! Examples of newspapers covered include The Times, Financial Times, New York Times, Washington Post, and Times of India and many more.
