### Library News

#### Study Skills Workshops

Throughout January there are a series of workshops for degree and access students on Editing and Proofreading, Harvard referencing, Quoting, Paraphrasing and Summarising, Finding academic resources and Planning your assignment. For full details and to book your place visit http://westsuffolkcollege.libcal.com/

#### Work Experience

We have been joined by Ola for a supported internship placement. Ola will be assisting the team with branding ideas, designing graphics and customer service.

### Saturdays

The Library is open 09:00-12:30 on the 11th, 18th and 25th of January.

### Creative ChillOut

Every month, we will be having a chillout week offering different activities in the library each day.

20th-24th Jan - You can try your hand at Jigsaws, Blackout poetry and more …… You will also be able to contribute to our photo gallery. For more details see our social media pages or website.

### Electronic Resources - Focus on

**ANATOMY.TV**

Anatomy TV is a great visual resource for students studying anatomy and physiology. It includes 3D images, narrated illustrations, clinical case studies, pronunciation guides, and much more!
