Welcome to another edition of the Library news bulletin.

Have you seen our website?  [http://library.wsc.ac.uk/Homepage](http://library.wsc.ac.uk/Homepage)

**Library News**

**Automatic renewals** - Whilst in lockdown, the Learning services team have been working hard to ensure that all books and dvds are automatically renewed at regular intervals. All books on loan have been renewed until 1st June and will be for further periods as necessary. There will be no fines during this period and students and staff won’t need to return their books until the library reopens.

**Drop Box** — From Wednesday the 6th May and every Wednesday thereafter between 10am and 2pm there will be a box available at reception (now in Suffolk House) for anyone wishing to return their books. These will then be taken off your library record by a member of staff the following Monday.

**Here to help?** Staff will be able to assist you remotely during our closed period, please e-mail library.helpdesk@wsc.ac.uk. We will be happy to answer queries. Please take a look at our social media pages.

**Library and Learning Services** launch our [padlet](https://padlet.com)

Please click on the word *padlet* for a closer look. There are important articles, reviews, pictures, links to software and much more.

**Electronic Resources - Focus on**

**CINAHL** is a leading health database. Material can be accessed via a library+ search or by going directly to the CINAHL database from the ‘A-Z Databases’ link on the library homepage. It provides full text article access across 50 nursing areas, speech and language pathology, nutrition, general health and medicine. This database is a ‘must use’ for all health students; it enables you to cite lots of up to date information and access quality information.
