Library News

Automatic renewals - Whilst in lockdown, the Learning services team have been working hard to ensure that all books and DVDs are automatically renewed at regular intervals. All books on loan will be renewed on the 1st July until September.

There will be no fines during this period, and students and staff won’t need to return their books until the library reopens.

Drop Box— Our drop box is now available across the week between 10am and 2pm at Main reception in The Gateway building, for anyone wishing to return their books. These will then be taken off your library record by a member of staff the following Monday. Thank you to all the staff and students who have returned items so far. We really appreciate your efforts to get books and DVDs back.

Here to help? Staff will be able to assist you remotely during our closed period, please e-mail library.helpdesk@wsc.ac.uk. We will be happy to answer queries. Please take a look at our social media pages.
